Articles

Native Articles

The brand of the client is integrated into materials written in the style of—and on the topics covered by the platform to produce content that can still be of interest to the reader after the advertising campaign is over.

Text Based Adverts

Articles tell the reader about the client's product, service or event.

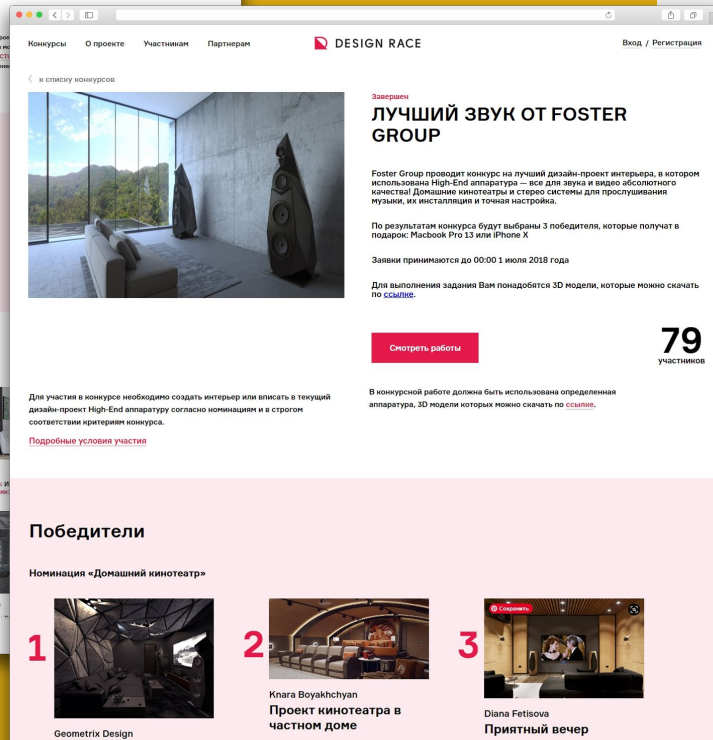

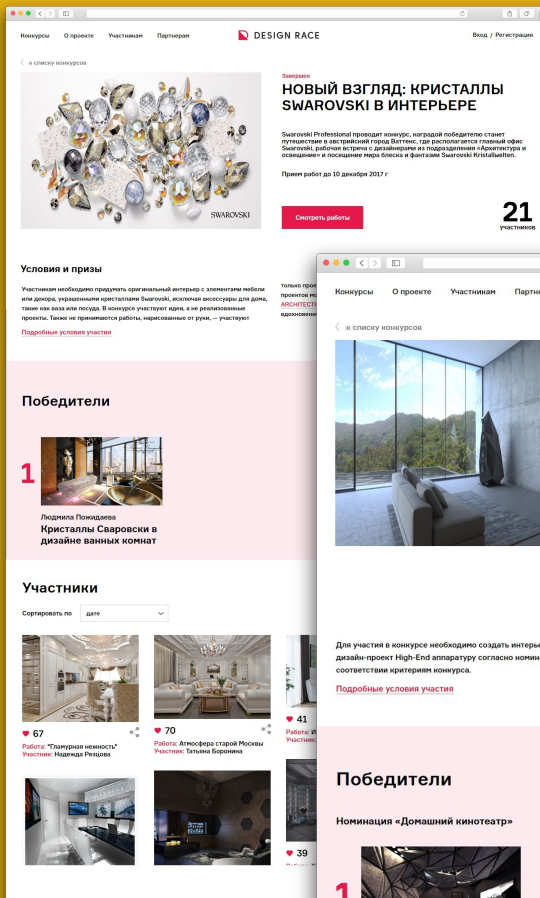

SEE ON THE WEBSITE

Competitions

Interior design and architecture competitions give professionals an opportunity to show their work and compete for prizes.

Display Advertising

Maximum target audience reach

Are you introducing a new product or service? Banners on our website will allow the readers to learn about them as quickly as possible.

We also offer creative solutions upon request.

Social Media Advertising

Attract new audience on popular social media

Various activities on social networks will guarantee a broad reach for the promotion of your product: competitions, quizzes, promotional posts, additional promotion of your project or native article.

WORK FOR MONEY. DESIGN FOR LOVE

Эскиз, коллаж или 3D
визуализация: какой способ
подачи дизайн-проекта
выбирают дизайнеры и
заказчики

*Российские дизайнеры — о своем опыте работы над
интерьерами и пожеланиях своих клиентов.*

Алексей Голуб, руководитель студии

В России

В Москве появится станция метро, спроектированная Zaha Hadid Architects. Престижное архитектурное бюро победило в международном открытом конкурсе. Станция появится на юго-востоке города, в центре района Нагатинский Затон, на пересечении Кленового бульвара и Коломенской улицы.

Ha Salon.ru

Цветные кухни, от которых мы без ума. Белая кухня — это красиво, цветная — ярко и модно. Посмотрите, какие цвета предпочитают дизайнеры.
